

INVESTMENT GUIDE

RELEASE 1.0

Short Name - STRANDEC IG1.0

Strandec is an Innovative Building System (IBS) that uses Inorganic Bonded Composites (IBC) with complementary components for Fasttrack Construction Technologies (FCT).

Already popular in North America and Western Europe, the Strandec IBS now comes to India and rest of Asia, an Anutone India and Celenit Italy initiative, to enable the construction ecosystem to rapidly meet the booming demand for high-quality, high-performance building elements.

Innovative.
Fasttrack.
Solutions.
